

Peter and John Running to the Tomb (1868) by Eugene Burnand

Dear Serrans,

As our Lenten season draws to a close and we look back on our almsgiving, fasting, and prayer, hopefully we see both sacrifice and abstinence (both of which were prevalent in our Catholic faith of the past), as well as some positive actions to help us become a better version of ourselves. Our actions may have included more frequent attendance at daily Mass, time in adoration of the Blessed Sacrament, Lectio Divina, Stations of the Cross, random acts of kindness, or just quiet time with God.

Participation in Holy Thursday, Good Friday, Holy Saturday and Easter Service helps us realize how much our God loves each of us. To have his son take on human qualities (like you and I), and then to die on the cross for us, shows the ultimate act of love!

As Paul says in Romans 6:4: "We were indeed buried with him through baptism into death, so that just as Christ was raised from the dead by the glory of the Father, we too might live in newness of life."

Here's wishing you and your loved ones a joyous and Blessed Easter Season. May the Peace of Jesus Christ be with you each day.
