

John Spaniol wants to share a minivan to drive to the St. John Vianney Seminary scheduled from October 9th to October 11th. See our web page (<http://serrack.org/calendar.htm>) for information and registration.

If you are planning on traveling to the Seminary on the 9th, attending the activities on the 10th, and driving back on the 11th, this is a great opportunity to lower expenses and enjoy the companionship of your fellow Serrans.

This is also a great chance to **Advocate for Vocations** at this time of intense need. The more Serrans that attend this, the more the spiritual awareness of these young seminarians may be raised. John can be reached at 913 - 383 - 1157. His email is [snowspec@kc.rr.com](mailto:snowspec@kc.rr.com). Again, if you can find any time at all to attend this event give John a call. This event never fails to increase our spiritual awareness as well.
